

Ellwood Primary School

Pupil Premium

How is the impact measured?

The impact of the pupil premium funding and expenditure is monitored in several ways through:

- Analysing the data of different groups of pupils and comparing them
- 6 weekly pupil progress meetings
- Pupil premium intervention - planning, delivering and monitoring
- Book looks - looking at pupil work in their books
- Feedback from parents - parent questionnaires, parents consultations, informal meetings
- Lessons and intervention observations
- Pupil conferencing - talking to pupils
- Statutory data - phonics screening, SAT's in KS 1 and 2, EYFS data and comparing to local, nationals and similar schools.
