

Ellwood Community Primary School – Core Subject Overview

Year 1 – Autumn Term 1

English

Going on Bear Hunt and Three Little Pigs

This term we will retell the story of we are Going on a Bear Hunt and the Three Little Pigs using actions. The children will create story maps, describe characters and write their own stories.

We're Going on a Bear Hunt

Grammar, Punctuation and Spelling

The children will focus on using capital letters at the start of sentences, using finger spaces between words and punctuate sentences using a full stop.

In Phonics we will revise Level 1+ to Level 3 sounds in the first few weeks and then we will move onto Level 4 sounds.

Maths

*Place Value
Addition and Subtraction*

We will be learning how to sort objects in different ways, counting and represent objects. We will read, write and spell numbers as words. The children will identify 1 more and 1 less using number lines. In our addition and subtraction unit we will learn how to write addition and subtraction number sentences. We will secure our knowledge of number bonds to 10.

Science

Materials and Seasonal Change

In this unit, children will identify and name common types of materials including wood, metal, plastic, rubber, fur, wool, sponge, cotton wool, paper, card, brick, rock and some liquids.

We will label, collect and group together objects made from the same material. The children will state that different objects can be manufactured from the same materials. They will say why some materials are unsuitable for some objects.

Working scientifically, children will test the properties of different liquids. They will have investigated which materials are good to wrap and protect an egg being dropped from a height.

Ellwood Community Primary School – Specific Subject Overview

Chestnut Class – Autumn Term 1

Art

In this unit the children called Colour in Life, the children will develop their knowledge of how to create textures using paint. They will also have the opportunity to use a range of mixed medias to create a collage. Chestnut Class will learn about the secondary colours and experiment with colour mixing.

Life Skills

We are following the scheme 'Make me a Superhero' the children will learn how to develop their resilience and develop their resilience and positive inner coach, self confidence and pride in 'being me.'

Computing

Year 1 children will learn what the internet is, how to use it safely and know what to do when someone says something unkind online. We will create our own 'Online Safety top tips poster' for keeping safe online.

Year 2 children will learn how information put online can last a long time and will find out who to talk to if something has been put online without consent or if it is incorrect.

History

We will be learning all about schools from past to present. The children will develop an understanding of the difference and similarities. They will use Venn diagrams to evaluate.

They will also learn about toys and the take part in an immersive schooling experience at the Dean Heritage Centre.

RE

What do Christians believe God is like?

In this unit we will be exploring beliefs about God held by Christians. We will learn about the story of the Lost Son and the Lost Sheep and reflect upon how these stories impact on Christian's everyday lives.

Music

In this unit the children will be exploring music and pulse together through music and movement by exploring their favourite things. Chestnut Class will learn to clap their names to a pulse, sing a rhythm in time with the pulse and keep the pulse whilst playing in time on an instrument.

PE

In this unit children will explore the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping. They will explore these skills in isolation as well as in combination. Children will be given opportunities to identify areas of strength and areas for improvement. Children will work collaboratively with others, taking turns and sharing ideas.
