

Ellwood Community Primary School – Core Subject Overview

Year 5 Summer Term

English

The Lost Thing by Shaun Tan

This term we will be studying The Lost Thing. We will create a diary, newspaper report and poetry.

Spelling

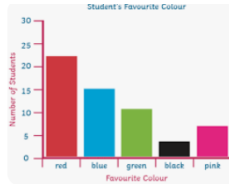

- words ending in -ise, -ate, -ify, -en
- ough pattern
- adverbs of possibility and certainty
- continue to learn the y5/6 statutory words

Grammar

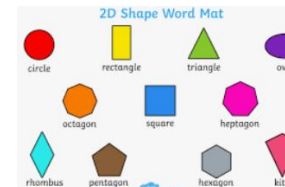

- formal and informal tone
- adverbials of possibility and certainty
- purpose of using a comma
- direct and reported speech

Maths

Shape, angles, statistics, money and time

We will continue working on shape studying 2D, 3D and nets. We will then move on to estimating and measuring angles. Statistics will cover line graphs and conversion graphs. After we have completed the y5 curriculum, we will revisit some topics from y3 and 4 to consolidate learning. This will cover time and money.

Science

In Science this term we will carry out the following:

Earth and Space – we will continue our study of this unit.

Living things and their habitats

Animals including humans

Forces
