

Sycamore Class enjoyed 6 weeks of Forest School in September and October 2020. We played great games involving stealth like 'Sneaky Sneakers' and 'Predator Prey' The children had the opportunity to make fire, whittle, create own games, make craft with acorns, practise knot tying, make dens to keep dry, fun in the rain and lots of imaginative play and observations of nature.

Spotting and finding out about fungi.

Predator Prey hiding.

Marshmallows and popcorn went down well!

We worked out that the tarps make a great rain collector for washing hands.

Catapults

Pale Tussock Moth

We used compasses to find out which direction we were moving in and natural features to notice where we are.

Web assault course.
