

Ellwood Community Primary School – Specific Subject Overview

Chestnut Class – Autumn Term 2

Art

In this unit children learn about primary and secondary colours, colour mixing techniques, and applying these skills in painting and printing.

Life Skills

This unit explores the Very Important Persons (VIPs) in children's lives and the ways in which they can develop positive relationships with them. In this unit children will identify who their special people are in their life and what makes someone a special person.

Computing

Year 1 – Exploring a Bee-Bot device and making predictions about what it might do, building up to trying out the buttons, then explaining the outcomes.

Year 2 – In this unit children will learn how to deconstruct a game to predict the algorithms that are used. Understand what abstraction is and create their own map of the classroom. To find out what debugging is.

Geography

Where do I live?

In this unit of work children will begin to think about where they live and being able to recall the four countries that make up the United Kingdom and the capital cities. Year 2 children will begin to locate the 7 continents.

RE

We will explore the question '**Why does Christmas matter to Christians?**'

Music

The children will be learning nativity songs and will learn about the Great Composer - Stravinsky.

PE

In this unit pupils will develop their fundamental ball skills such as throwing, catching, rolling, hitting a target, dribbling with both hands and feet and kicking. They will look to perform these skills with increasing control and accuracy using co-ordination and balance. Pupils will have the opportunity to work independently, in pairs and small groups.
