

# Ellwood Community Primary School

## Sycamore Class

### Computing

In computing, we will be looking at websites and how to create one.

### Life Skills

We be looking at being ourselves! We will be exploring why everyone is unique, why this should be celebrates and understanding our own thoughts and feelings.

### P.E.

Sycamore will be focusing on Hockey and Dance this term.

### Geography

#### Where do we live?

We will be learning about the different cities and counties in the UK and then progress to look at different countries across the world.

# Autumn Term 2

### English

This six-week unit is a study of Phileas's Fortune by Agnès de Lestrade and Valeria Docampo, a story about self-expression, translated from the French La Grande Fabrique de Mots. The plot explores themes of self-expression, class and equality, linking with power and communication. The sequence of learning will develop pupils' understanding of story, characters, themes and language.

### History

We are going to learn about the Roman Empire. We will be focusing on who the Romans were and how they built an empire.

We are also learning in depth from different religious and spiritual ways of life regarding diverse beliefs about God.

### Design and Technology

In Design and Technology, we will be looking biscuits and how different ingredients can alter the aesthetic, taste and texture of food. We will be learning about cross contamination and how to keep ourselves safe when baking.

### French

We will be revisiting French numbers and then looking at calendars and birthdays.
