SCHOOLS INFORMATION

Published Admission Number and Previous Applications

The Published Admission Number is the total number of pupils that the school can admit into Reception (or Year 3 for Junior Schools). We have also included for each school the total number of pupils in the school so you can gauge its size. The number of total preferences and first preferences will also help you to see how oversubscribed a school is, as this will tell you how many parents had named a school as one of their preferences on their application form and how many of these had placed it as their first preference.

Admission Policy

Admission policies are set by the Admission Authority for the school (the Local Authority for Community & Voluntary Controlled Schools and the Governing Body for Free, Trust, Foundation, Academies & Voluntary Aided Schools) and are applied for new children entering a school. We have included each school's admission criteria so you are aware before applying for a school place. This will include whether the school has a supplementary information form that you may need to complete and how to obtain this. Each school's admission policy is available from www.gloucestershire.gov.uk/schooladmissions, the school itself, the school's website, or by contacting the Co-ordinated Admissions Team. The admission policy for all Community and Voluntary Controlled schools can be found on page 4.

Oversubscription Criteria

If a school receives more preferences than places available, the Admission Authority will place all children in the order in which they could be considered for a place. This will strictly follow the priority order of their oversubscription criteria.

Allocation day statistics are available at www.gloucestershire.gov.uk/schooladmissions

OVERSUBSCRIPTION CRITERIA AND ADMISSION POLICY

COMMUNITY AND VOLUNTARY CONTROLLED SCHOOLS

Primary and Infant schools

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

- A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for definition)
- Children who will have siblings attending the school at the time the applicant child is admitted. (See page 10 for definition)
- Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Where points 1 and 2 are oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority.

This is a manual process which is overseen by an independent person from the Legal Services & Monitoring Team.

Junior schools

All Community and Voluntary Controlled junior schools use the following criteria to admit children into Year 3:

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

- A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for definition)
- In the case of companion infant and junior schools, priority will be given to pupils attending the companion infant school.
- Children who will have siblings attending the school at the time the applicant child is admitted.
- Children who will have siblings attending the companion infant school at the time the applicant child is admitted. (See page 10 for definition)
- Children with the strongest geographical claim, measured in a straight line from the ordnance survey point of the child's home to an ordnance survey point of the school/academy, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

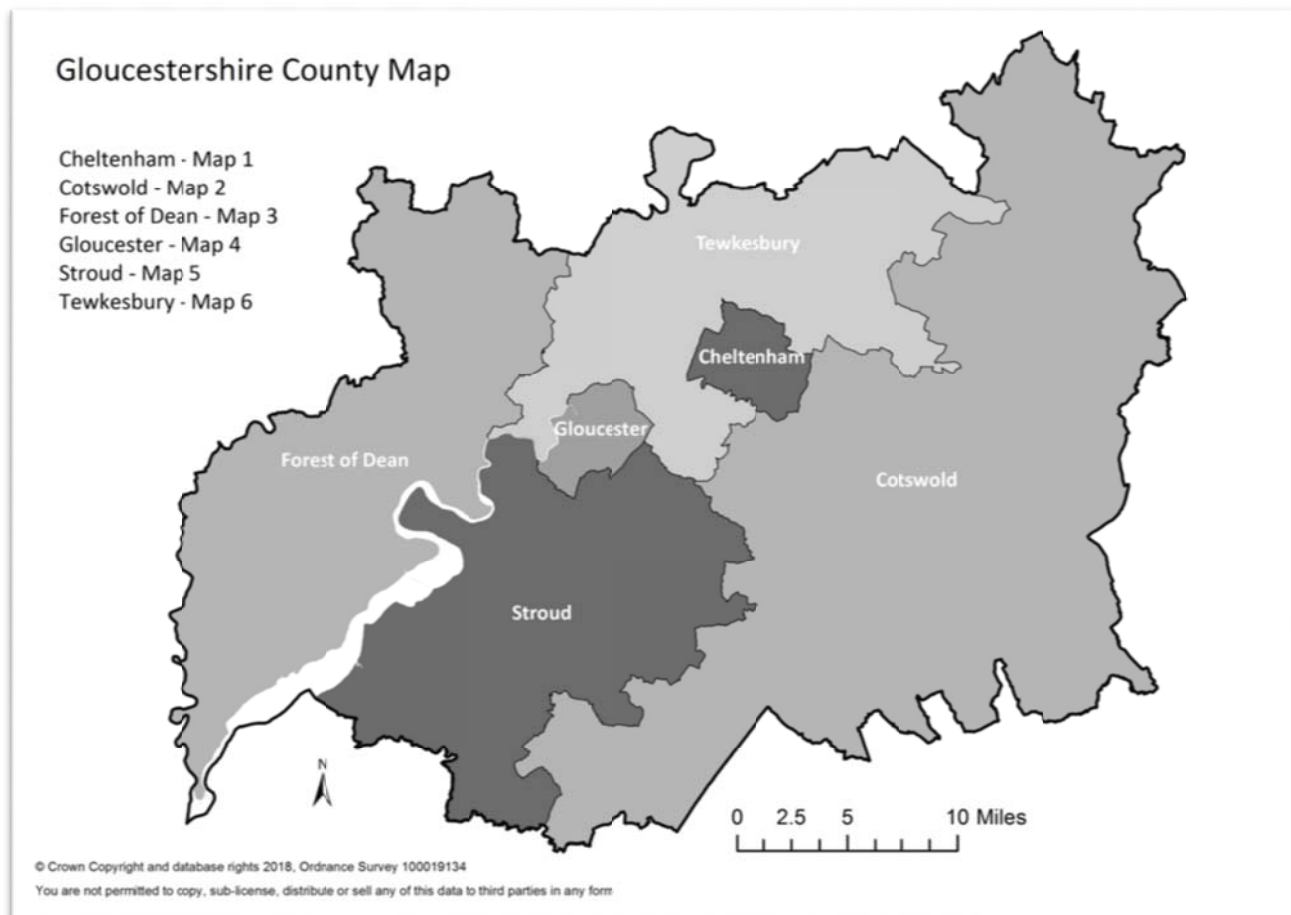

Where any particular category at points 1-4 above is oversubscribed, criterion 5 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 5 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This is a manual process which is overseen by an independent person from the Legal Services & Monitoring Team.

Criteria Definition

Looked After Children / Previously Looked After Children :

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption (2) child arrangements order (residency order) (3) or special guardianship order (4) .

- (1) *A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. In Gloucestershire, such children are referred to as Children in Care.*
- (2) *This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).*
- (3) *Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.*
- (4) *See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).*

Sibling

Unless otherwise stated in the individual school criteria sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address. The older child must be continuing to attend when the younger child is admitted.

If a child's parents live at separate addresses, the address the sibling spends at least 3 school nights i.e. Sunday, Monday, Tuesday, Wednesday or Thursday will be taken as the home address.

In the case of infant schools unless otherwise stated in the school criteria a sibling connection is also established if an older child will be or is already attending the companion junior school

Admission Policy for September, 2019

1. Looked after children or previously looked after children.
2. Children with a sibling attending the Academy at the time of application. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same home address*, at the time of application.
3. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address* (including flats) to the ordnance survey address point of the Academy, using the Local Authority's computerised measuring system, with those living closer to the Academy receiving the higher priority **AND** where the school is the closest school to the home address with a place.

* The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

Tie-break:

If the Academy becomes oversubscribed within criteria 2 or 3 above a distance tie-break will apply, with those living closest to the Academy being given priority for admission.

If two children live exactly the same distance from the Academy random allocation undertaken by someone unconnected to the Academy Trust will be used as a final tie-break to decide who will be admitted.

Admission Policy for September, 2019

1. Looked after children or previously looked after children.
2. Children who will have siblings attending the school at the time of their admission. Siblings are defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent /carer's partner, and in every case, the child must be living in the same family unit at the same address at the time of admission.
3. Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from a doctor. This must demonstrate that there is a very specific connection between the medical need and this school.
4. Children who live in the catchment area, defined as 'Coopers Edge', i.e. children living in a home inside the Coopers Edge development boundary as shown by 'map of the development' at the end of the school's admission policy document.

If after applying the catchment criteria there are more applications than places within the catchment area, a further tie-breaker of Random Allocation will be used for these applications. Random Allocation will be supervised by someone independent of the school with a fresh round of Coopers Edge School random allocation used each time a child is to be offered a place from a waiting list.

5. Children who live outside the catchment area, with the strongest geographical claim, measured in a straight line from the ordnance survey point of the child's home address(including flats) to the ordnance survey address of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

If after applying the distance criteria there are more applications than places with the same distance, a further tie-breaker of Random Allocation will be used for these applications.

For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.
3. Children who can prove that they have a particular medical reason for attending the school.
Note: Children for whom only this particular school is appropriate due to an exceptional medical condition. The final decision to accept a child under this category will be made by the Governing Body through consultation with relevant professional where necessary.
4. How far the applicant lives from the School using the straight-line distance measurement using the LA's computerised system. Those living closest will receive the higher priority.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight-line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children, when applying to criterion 4, the strongest geographical claim will be measured in a straight line from the Ordnance survey point from the child's home address (including flats) to the Ordnance survey address point of the school using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority.

Where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body.

1. Looked after children or previously looked after children.
2. Children who will have siblings attending the school at the time the applicant child is admitted. The definition of a sibling is "a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address".
3. Children of paid employees at Forest View Primary School. *Paid employees refer to staff members who have been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.*
4. Children for whom only one particular school is appropriate due to an exceptional medical condition. *Applications under this criterion will only be considered if they are supported by a written statement from the child's doctor, which has to be submitted with the application. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school concerned.*
5. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system on behalf of Forest View Primary School (admissions authority), with those living closer to the school receiving the higher priority.

Where any particular category at points 1-4 above is oversubscribed, criterion 5 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 5 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the school. This will be in the form of a manual process which is overseen by an independent person.

Admission Policy for September, 2019

1. Looked after children or previously looked after children.
2. Children who have a sibling who will be attending Highnam C. of E. Primary Academy at the time of reception admission (i.e. a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of a parent/carer's partner). Note: The older child must be continuing to attend the school when the younger child is admitted and in every case the child must be living in the same family unit at the same address.
3. Children with an authenticated medical reason for attending the school. Note: Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications will only be considered if supported by a written statement from the applicant's doctor which must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. The final decision to accept a child under this category will be made by the Governing Body through consultation with relevant professionals where necessary.
4. Children with the strongest geographical claim in the year in which the child is to start school on the closing date for applications. Note: The distance will be measured in a straight line from the ordinance survey point of the child's home address (including flats) to the ordinance survey point of the school. Those living the closest will receive the higher priority.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (the strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children, when applying criterion 4, the strongest geographical claim will be measured in a straight line from the ordinance survey point from the child's home address (including flats) to the ordinance survey address point of the school using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority.

Where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body. This process will be overseen by an independent person.

Admission Policy for September, 2019

1. Looked after children or previously looked after children.
2. A child who lives in the historical Parish of Hillesley, Tresham and Alderley (map available in school). Distance will be measured in a straight line from the Ordnance Survey Address Point of the child's home address, (including flats) to a central point of the school, using the Local Authority's computerised measuring system, with those living closer to school receiving the higher priority.
3. A child who has a sibling who will be attending the school at the time of admission. The admission criteria for Community and Voluntary Controlled Schools offers a higher priority for children with siblings who will be attending the school (including Sixth Form where available) when the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.
4. A child whose parents/guardians specifically request a Christian education.
5. A child who has particular authenticated medical reasons appertaining to the school. The school will need to be provided with medical evidence from a doctor that explains why Hillesley Primary is the **only** school that can meet the child's medical condition. The written statement from the doctor must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. As Hillesley is a voluntary aided school the Governing Body will decide if the child can be offered a place. Social needs, such as a child wanting to attend the same school as friends, or attend a school near to where relatives live are not to be considered as medical needs.

In the event of over subscription in the above criteria, places will be allocated by closest proximity to the school, measured in a straight line from the school's Ordnance Survey Address Point, as the route dictates.

In the very unlikely event of a tie-break in the event that two or more children have the same distance measurement, and equally meet the criteria described in no 4, (*i.e. In the event of a tie between two or more children when applying the above tie-break*) where there are not enough places available to offer all children a place at the school, a lottery will be held by the Governing Body to allocate the remaining places.

(NB We define siblings as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit, at the same address).
3. Children whose permanent home address lies within the boundary of the Severnside parishes.
A copy of the definitive map can be found on the Schools website. A copy is also available for

inspection in the school office. In the event of there being more applications than available places then children with the strongest geographical claim will be given priority. Distances will be measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the local Authority's computerised measuring system.

- Children whose permanent home address lies outside the boundary of the Severnside parishes will be allocated on the basis of strongest geographical claim measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This will be in the form of a manual process which is overseen by an independent person from the Council's Legal Services. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Admission Policy for September, 2019

1. Looked after children or previously looked after children.
2. Children who will have a sibling attending the school when the child is admitted. (We define siblings as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parents/carers partner, in every case the child must be living in the same family unit – at the same address).
3. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey Point of the child's home address (including flats) to the Ordnance Survey Point of the

school using the LEA's computerised measuring system, those living close to the school receiving higher priority.

Where any particular category at points 1-2 is oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child will be offered a place. In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body, which must be supervised by someone independent of the school.

Admission Policy for September, 2019

1. Looked after children or previously looked after children.
2. Children with a sibling attending the Academy at the time of application. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same home address*, at the time of application.
3. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address* (including flats) to the ordnance survey address point of the Academy, using the Local Authority's computerised measuring system, with those living closer to the Academy receiving the higher priority **AND** where the school is the closest school to the home address with a place.

* The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

If the Academy becomes oversubscribed within criteria 2 or 3 above a distance tie-break will apply, with those living closest to the Academy being given priority for admission.

If two children live exactly the same distance from the Academy random allocation undertaken by someone unconnected to the Academy Trust will be used as a final tie-break to decide who will be admitted.

1. Looked after children or previously looked after children.
2. Children with a sibling attending the School at the time of application. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same home address*, at the time of application.

Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address* (including flats) to the ordnance survey address point of the School, using the Local Authority's computerised measuring system, with those living closer to the School receiving the higher priority **AND** where the school is the closest school to the home address with a place.

* The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

Tie-break:

If the school becomes oversubscribed within criteria 2 or 3 above a distance tie-break will apply, with those living closest to the school being given priority for admission.

If two children live exactly the same distance from the school random allocation undertaken by someone unconnected to the School Trust will be used as a final tie-break to decide who will be admitted.

As a school we have adopted the definition of sibling as per the LA definition which reads "a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner, and in every case, the child must be living in the same family unit at the same address.
4. Christian families who live within 1.25 miles of the school.
5. Families who live within 1.25 miles of the school.
6. Christian families who live within the Benefice of Tetbury, Beverston, Long Newton and Shipton Moyne (but more than 1.25 miles from the school).
7. Families who live within the Benefice of Tetbury, Beverston, Long Newton and Shipton Moyne (but more than 1.25 miles from the school).
8. Christian families who live outside the Benefice of Tetbury, Beverston, Long Newton and Shipton Moyne.
9. Families who live outside the Benefice of Tetbury, Beverston, Long Newton and Shipton Moyne. ()

Distance from the school will be measured in a straight line from the ordnance survey point of the child's home address (including flats) to the ordnance survey point of the school, using the Local Authority's computerised measuring system.

In the event that the school is oversubscribed within one of the criteria above those living closer to the school will receive higher priority.

*** To be considered as a brother or sister a child must be living at the same address for the majority of the time¹ as a full, half, step or adoptive brother or sister. Step brothers/sisters are defined as children who are not necessarily related biologically (including Foster children) but are living in the same household for the majority of the time¹ at the address considered to be the address of the child for whom the application is made.

¹ A child must be living at an address for at least 50% of the time to be considered as living there for the majority of the time.

Prioritisation of pupils who are ranked within the same oversubscription admissions criteria.

Pupils who are ranked in the same oversubscription criteria are ranked within the criteria based in order of:

siblings

Within each admission category children will be given priority if they will have a sibling/siblings*** at the school at the time the child would commence school

Tie breaker

In the eventuality that, after prioritisation by siblings (see above), applications are still equal then names will be drawn at random using random allocation i.e. drawing lots from the pupils applying, by the governing body. Where one child of a multiple birth is drawn the other child or children will be deemed to have also been drawn. The administration of the 'draw' will be supervised by a nominated person who is independent of the school.

Supplementary Form Required: No but Baptism forms are required (as proof of baptism) If a child is to be considered as a baptised Catholic, or baptised Christian, for admission purposes

then parent/carer must provide the school with a copy of the child's baptism certificate (if the certificate cannot be provided, then letter of confirmation from Parish Priest / Minister is required) by 31st January 2019

7. Children of families living outside the ecclesiastical parish of Cainscross whose parents have active connections* with another church.

*Active connections means being on the electoral or membership roll of the church or being a regular communicant of the church e.g. attended the principal act of worship on a Sunday at least once a month on average during the two years prior to consideration of the application.

If over-subscription occurs with any of the above criteria the remaining places will be offered to children with the strongest geographical claim, measured in a straight line from the child's home address (including flats) to the school, using Ordnance Survey Points, with those living closer to the school receiving higher priority.

In the event of a tie involving two or more children when applying the strongest geographical claim based on straight-line distance where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body.

Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Where any particular category at points 1-2 above is oversubscribed, criterion 4) (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie, involving two or more children when applying criterion 4) (the strongest geographical claim based on straight-line distance), where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This will be overseen by an independent person.

1. Children in Public Care (Looked After Children).
2. Children who will have a sibling attending Woodchester Endowed School and who will continue to do so when the younger child is admitted. A sibling is a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner, and in every case, the child must be living in the same family unit at the same address.
3. Children of families who live in the ecclesiastical parishes of Woodchester and Selsley, (a map may be inspected at the school), and whose parents have active connections* with St Mary's Church, Woodchester or All Saints Church, Selsley.
4. Children of families who live in the ecclesiastical parishes of Woodchester and Selsley.
5. Children of families who live outside the ecclesiastical parishes of Woodchester and Selsley, and whose parents have active connections* with a Church of England church.
6. Children of families who live outside the ecclesiastical parishes of Woodchester and Selsley, and whose parents have active connections* with any other Christian church, being a member of Churches Together in England.
7. Children for whom only Woodchester Endowed School is appropriate due to an exceptional medical condition**.
8. Children with the strongest geographical claim.

Where any particular category at points 1-7 is oversubscribed, criterion 8 (strongest geographical claim based on straight line distance) will be used to determine which child will be offered a place.

In the event of a tie between two or more children when applying criterion 8 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body (overseen by an independent person)

*Active connection: is defined as being on the electoral or membership roll of the church and attending regular worship at the church. Regular worship is deemed to be attending the principal act of worship on a Sunday at least once a month on average during the two years prior to consideration of the application. A letter clearly stating this connection should be provided to the Headteacher by no later than the application closing date of 15th January 2019.

**Exceptional medical condition: Applications under this criterion will only be considered if they are supported by a written statement from the child's doctor. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of this school. Geographical Claim: measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.
