

PIC-COLLAGE

Autumn 2 Forest Adventures 2021. We made wreaths, decorations, lots of whittling. Some children made a butter knife over a few weeks and created a sheath to keep it in. We played lots of team games including Capture the Flag, World war 1 games, Predator Prey, Triangle Tag and Forest Fire. We enjoyed challenges like building the tallest tower, crossing 'No Man's Land' using limited resources and making dens and swings whilst learning new knots to help.
