

# Activity 1:

## Prehistoric art > Prehistoric palette

After experimenting with the colours and effects that can be created using natural materials, pupils make their own paints using spices and objects found during outside exercise.

### Equipment:

- Sketchbooks
- Natural products to supplement the children's
- Coloured spices such as turmeric, paprika, cinnamon, nutmeg
- Couscous, flour, bulgur wheat, lentils, coarse flour, seeds, sand or modroc
- Water
- Brushes
- Plastic pots or cups
- Palettes for colour mixing
- Thick paper or card (one sheet per pupil)
- Glue
