# Our Vision at Ellwood Community Primary School

At Ellwood Community Primary School, we strive to be the best we can be. We have high aspirations for all our pupils, staff and the community. We want our children to be confident individuals, lifelong learners and global citizens and achieve their very best.

## Our motto

Believe

We believe all children have potential and should believe in themselves. We believe in them, our staff, parents, Governors and community. We believe together, we achieve more.

Achieve

We want every child to succeed and achieve their full potential. This could be academically, personally or socially. We also want the school community to achieve their very best.

Belong

We want our children to belong. We want them to belong to their class, school and community and to have a sense of belonging and to feel they will always be welcome at Ellwood Community Primary School and will feel valued.

# Our School Values

Our school values underpin our day to day life in school and actively promote personal values and support the fundamental British values of: **democracy**, **individual liberty**, **mutual respect** and **tolerance** of those from all faiths, backgrounds and cultures.

We have six core school values that guide children's choices, behaviour and learning:

Responsibility

Friendship

Respect

Resilience

Kindness

Honesty

These values have been chosen by carefully observing which of our previous values have worked well and which ones would develop children the most morally and educationally. These values may change in the future depending on the needs of our children and the wider community.

## How we teach core values

The focus with every value is what the value looks like to us and how it looks in action. Teaching of values is cyclical, we return to each core value frequently to deepen understanding. We learn about them and discuss them in classes, assemblies, Life Skills [PSHE], Relationships and Sexual Education [RSE], Religious Education [RE], through listening to visitors, through stories, plays or presentations.
