Start of the School Day - Reminder

The school day starts at 8.55 a.m. when the gates have been opened and the bell rings. Please make sure your child is in school as close to this time as possible. We do not encourage pupils to arrive early but expect them to be in school for registration at 9 a.m. We need to lock the gates at 9 a.m. Staff are not responsible for pupils until the bell rings at 8.55 a.m. when the children enter the building.

Thank you for your continued support with this matter.

Sporting News

Thank you to Miss Bundy and Mrs Marshall for taking a group of children to a Rounders Competition last Friday. The pupils got through to the finals but unfortunately, just missed out. All those who took part had a great day. Well done to you all!

Car Park Safety

Please ensure that children walk around the outside of the carpark on the gravel path, to access the playground.

Parents/Carers please drive slowly on the roads around the school and in the carpark and take great care when reversing out of car park spaces. The car park is very busy and the children's safety is paramount.

Thank you

Garden Party

Thank you to all parents, family and friends who attended the garden party on Friday. Luckily the weather remained dry for us. Thank you to all the children who performed and to all those who helped out with the preparations and during the Garden Party. A big thank you to staff and volunteers from both the nursery and school, who gave up their time to help with the preparations, events like this take time to plan and organise. Thank you also to all those who donated yummy cakes!
