Summer Term 2021

Welcome back! It is so good to be back in school again and we are looking forward to working with you and your children over the coming term.

Topic

Our topic this term is Home and Away – focusing on Europe and comparing the geographical features of countries on mainland Europe to our local area and the United Kingdom. An overview of what they will be learning is attached to this newsletter.

PE

This term we will have cricket on a Tuesday afternoon and multisports on a Wednesday afternoon. We would be grateful if you could make sure that your child comes in to school dressed in their PE kit, wearing trainers and their school jumper with shorts or tracksuit bottoms. Could you please also remember that if children have pierced ears, they must either remove their earrings or cover them with tape. Long hair also needs to be tied up securely.

General information

Please make sure that children come in to school with a coat and jumper. The weather can still be very changeable and they may be caught out if it suddenly rains. We are keeping windows and doors open to ensure there is good ventilation, so it may be colder in the classroom than they are used to.

We are keen to maintain good communication with you, please get in contact via email or telephone to the school office if you have any queries or messages. If you would like to talk to us personally, we will call you back.

Kind regards

Mrs Marshall, Mrs Woodhouse & Mrs Sheppard
