

# Ellwood Community Primary School – Specific Subject Overview

## Sycamore Class – Spring Term 1

### Music

This term we will be looking at music from South America. We will be looking at Samba and how the off-beat music is created. At the end of the unit the children will look to create their own Samba songs.

### Life Skills

This unit is based on the concept that we all have a responsibility to live as global citizens. It is inspired by the idea that we all have a responsibility to help the environment and all living things throughout the world through the choices we make.

### Computing

This term we will be looking at the role of HTML in a web page. The children will be looking at how to code basic elements for their own web pages.

### Design & Technology

In Design and Technology, we will be looking at Cars and creating a slingshot car.

They will need to design and create their design; including looking at how to reduce air resistance and how to make their car appealing.

### RE

The children will learn about festivals from different religions and focus in on their similarities and differences.

### History

This term we will be looking at The Vikings.

We will be focusing on where the Vikings came from, what period were they around, what was their lifestyle and what was their impact.

### Languages

This term the children will be focusing on different verbs in French. They will be given the opportunity to practise their oral and written skills in French.

### PE

This term Sycamore will be doing Outdoor and adventurous activities on Wednesday with Cam and Athletics on Friday with Miss Williams.
