

Ellwood Community Primary School

Risk Management Process in Covid 19

Reviewed January 2022

Guiding Principles

1. The highest priority will be to maintain the health, safety and wellbeing of children and staff; and all aspects of planning will be informed by this.
2. We will work collaboratively with WGSP, other schools, HSE (Health and Safety Executive) and the LA in Gloucestershire to ensure we follow all relevant guidance.
3. As many aspects of the DfEs non-statutory guidance will be met, as far as practically possible, taking into account the needs at Ellwood Community Primary School. This will take in account: the school setting, layout of the building, premises, number of staff and ratios, number of children attending and the community we support.
4. Our risk management plan will continue to be reviewed as and when changes are needed.
5. Risk management measures already in place will be built on, learnt from and communicated. We are prepared for any potential future lockdown which may occur or closures.
6. Due to the changeable nature of the country's response to the virus, our plans flexible to meet changing needs and reflect different phases of provision over time.

In undertaking our risk assessments, we have referred to the 'Safety, Health and Environment (SHE) Guidance's Primary School Risk Assessment Toolkit.'

Purpose – The aim of this risk assessment is to continue to implement some of the previous protective measures to prevent COVID-19 or reduce the spread of the infection, if there is a positive case, both in the school and transmission to the wider community.

Considerations in producing this risk assessment has been given to:

- <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>
- <https://www.gov.uk/government/publications/protective-measures-for-holiday-or-after-school-clubs-and-other-out-of-school-settings-for-children-during-the-coronavirus-covid-19-outbreak/protective-measures-for-out-of-school-settings-during-the-coronavirus-covid-19-outbreak>
- <https://www.gov.uk/guidance/maintaining-records-of-staff-customers-and-visitors-to-support-nhs-test-and-trace>

Risk Assessment reviewed and amended week commencing – 18th January 2022

In all education, childcare and social care settings, preventing the spread of coronavirus involves dealing with direct transmission (for instance, when in close contact with those sneezing and coughing) and indirect transmission (via touching contaminated surfaces). A range of approaches and actions should be employed to do this. These can be seen as a hierarchy of controls that, when implemented, creates an inherently safer system, where the risk of transmission of infection is substantially reduced. These include:

- minimising contact with individuals who are unwell by ensuring that those who have coronavirus symptoms do not attend the setting, or who have someone in their household who has COVID, if you do not have any symptoms, LFD test each day for 7 days. If symptomatic then a PCR test should be taken. Children may come to school if their LFD test results are negative and show no symptoms.
- cleaning hands more often than usual - wash hands thoroughly for 20 seconds with running water and soap and dry them thoroughly or use alcohol hand rub or sanitiser ensuring that all parts of the hands are covered
- ensuring good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach
- cleaning frequently touched surfaces often using standard products, such as detergents and bleach
- minimise contact between individuals and maintain social distancing wherever possible
- where necessary, wear appropriate personal protective equipment PPE and/or face coverings

Policies and Procedures.

The following policies have been updated to reflect changes brought about by COVID-19:

- Safeguarding
- Behaviour
- Home school agreements
- First aid
- Fire evacuation

Copies of the policies can be found on the school website or hard copies are available on request.

Risk Assessment for Ellwood Community Primary School

Activity: Contact with individuals who are unwell/displaying COVID-19 symptoms

Hazards	Who is at risk?	What are you already doing?	Risks adequately controlled? Y/N	Comments/ Action Taken
Transmission of COVID-19	Staff Pupils Visitors Contractors	<ul style="list-style-type: none"> Ensure pupils/staff and other adults do not come into school if they have coronavirus symptoms or have tested positive in the last seven days. Persons with symptoms must self-isolate and arrange to have a test. Symptomatic persons awaiting collection to be moved to meeting room to isolate. If room not available, person to be moved to an area at least 2m away from other people. Symptomatic persons to use staff toilet in main corridor if required. Toilet to be taken out of use until deep clean. PPE to be worn by staff members if caring for child with symptoms and 2m distance cannot be maintained. Everyone must wash hands thoroughly for 20 seconds with soap and running water or use hand sanitiser after any contact with someone who is unwell. Staff to wear face masks when dealing with the child. 	<p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p> <p>Y</p>	<ul style="list-style-type: none"> Anyone in school who becomes unwell with a new, continuous cough, high temperature or has a loss of, or change in their normal sense of taste or smell to be sent home and advised to follow 'stay at home: guidance for households with possible or confirmed coronavirus infection'. Anyone displaying symptoms will go into the designated room to await collection. If a member of the household tests positive, then the rest of the household should take daily LFDs for 7 days, if asymptomatic. If symptomatic then a PCR test should be taken. Children may attend school if their LFD test is negative and showing no symptoms. Open window in isolation room (Hazel Room or front entrance area) for ventilation. Hazel room will not to be used until deep clean taken place. Cleaners to be advised if symptoms detected in school so that deep clean of area can take place and appropriate PPE to be worn if necessary Appropriate PPE available in entrance area, entrance cupboard and in each classroom. Staff who have helped someone with symptoms and pupils who have been in close contact with someone with symptoms do not need to self-isolate unless they develop symptoms themselves.

Activity: Social Distancing				
Hazards	Who is at risk?	What are you already doing?	Risks adequately controlled? Y/N	Comments/ Action taken
Transmission of COVID-19 through contact with individuals	Staff Pupils Visitors Contractors	<ul style="list-style-type: none"> Minimise contact with individuals who are unwell by ensuring those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does and advised to take a takes a PCR test (optional) Parents and pupils encouraged to walk or cycle to school where possible. Visual aids are used to display social distancing reminders. Enhanced cleaning activities – lunchtime and throughout the day If children are attending Ellwood Nursery they are to be released to nursery staff member outside Visitors/contractors are only allowed on site with arranged appointment. They are advised to wear a mask in the Autumn Term. Ideally, they should attend after school hours, if possible. Pupils are given regular reminders of why hygiene is important – hand wash/tissues. Staff to continue to keep 2m from other adults, as much as possible, to reduce spread and schools staff shortages. Staff to continue avoid close face to face contact and minimise time spent within 1m of anyone. Particularly in enclosed spaces. Staff providing close hands-on contact with pupils need to increase their level of self-protection, such as minimising close contact and having more frequent hand-washing and regular cleaning of surfaces. Staff to wear masks/visors if they wish, particularly in communal areas/corridors. 	Y Y Y Y Y Y Y Y Y Y Y	<ul style="list-style-type: none"> Regular communications with stakeholders to remind them of symptoms and advise of actions to be taken Where possible, only 1 parent to attend at start/end of school day to minimise numbers around the school site. All classes to use pegs outside of their classroom area Doors to be propped open where possible and safe to do so to minimise surface touching. HG to clean toilets at lunchtime and MDS to clean tables in classrooms. Staff to help support with the cleaning of touch points in classes – handles/light switches. Children attending nursery will be dropped off/collected outside Teachers to allow children to use toilet one at a time. Staff to ensure office is aware of any pre-arranged visitors. Visitors/contractors to make appointment and advised to wear a mask, if working in enclosed spaces. Individual risk assessments for staff/pupils in place where required. PPA plans strive to reduce staff crossing over different classes/locations within a day. Staff and parents advised to wear masks at drop off/pick up times and in corridors at busy times.
