

## Curriculum Overview for Modern Foreign Languages (French)

### Key Stage 2

At Ellwood, the children in Beech class (year 3) will complete the same units each year, Sycamore (year 4/5) and Willow (year 5/6) will cover units on a 2 year rolling programme to avoid repetition. In these classes, the order of coverage within a year can be altered (eg to fit with other topics being taught) although the 3 units from the lower book should be completed before the 3 units from the higher book as there is progression between different books. There are suggested ideas for links with our twinned school and cross-curricular links.
