Easter Chocolate Raffle

Many thanks to all of those who have already bought their Easter Raffle squares. We have had a great response so far - thank you!

If you have not already bought a square it is not too late, as sales will continue up until the day of the raffle (Wednesday 31st March). If you would like to buy a square, please send money in with your child in a named envelope.

Thank you so much for your continued support.

Ellwood School Council Meeting

Ellwood School Council had a great meeting this week. They met to discuss their roles and responsibilities and they elected the new chair, secretary and treasurer. The children talked about what they were looking forward to most about being a School Council member. The School Council representatives worked very hard and we are looking forward to the next meeting.

Thank you!

We would like to thank the Salvation Army for their very generous donation of chocolate for every child and member of staff, it was so kind of them to think of us. The children will bring their chocolate home next week.

The children will also be taking part in an Easter Egg hunt next week with each child bringing home an Easter lolly, which has been paid for from some of the money raised from the Easter Raffle. So thank you so much for buying so many squares!

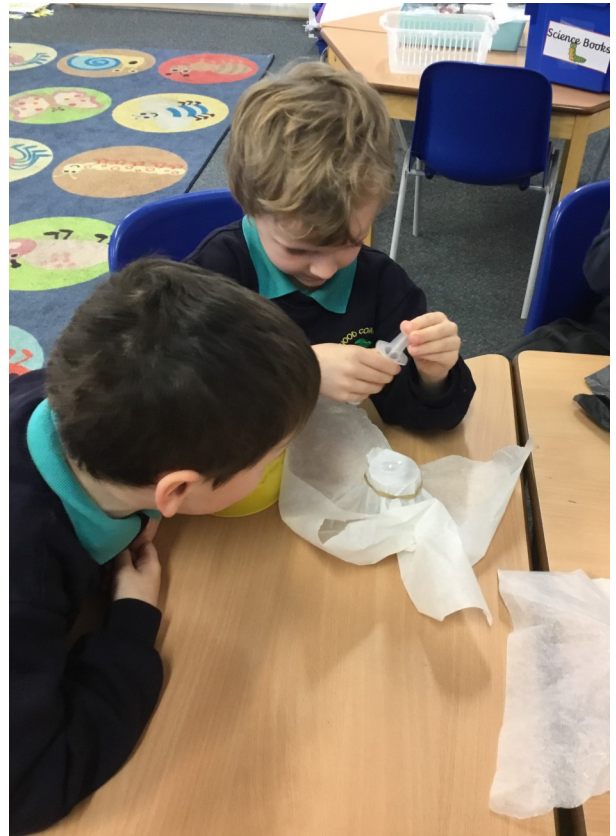

Oak Class - Archery Session

On Monday we had an Archery Taster day at school which the children really enjoyed taking part in. It was so well organised and a lovely opportunity for all of our children.

Year 1

Today Year 1 tested materials to find out which material would make the best umbrella for the Teddy.

After School Clubs - after half term

After half term we will be running a Cricket Club and Tag Rugby club, run by outside professionals, after school. These clubs are free to take part in and will take place from 3.15 p.m. - 4.00 p.m. The children will remain in their bubbles.

Cricket - Tuesday (Year 5 only, for 6 weeks)

Tag Rugby - Wednesday (Willow only, for 6 weeks)

Please have a look at the email that has been sent home to parents in Year 5 and Willow class and click on the link attached to book a place.

Minor Ailments/Lateral Flow Test

We have had a number of parents asking us whether they should send their child to school when they are showing minor common ailments, such as common cold, sore throat, chesty cough or tummy ache. Unfortunately we are unable to advise whether children should attend school or not in this circumstance. However, previously we have sent information regarding obtaining Lateral Flow tests to administer at home. As we know COVID symptoms in children are not always presented as the 3 main COVID symptoms displayed in adults.

We suggest that for parents own peace of mind that they obtain the Lateral Flow tests for use at home. These are free and may be obtained by following the link below:
