

Ellwood Community Primary School 2022/2023

Sports and PE Premium Funding - Predicted Plan

The government provides funding to improve provision of physical education (PE) and sport in primary schools.

This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary schools, along with five Key Indicators to drive improvement. Department for Education guidance states that schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that we should use the Primary PE and Sport Premium to:

- ☐ develop or add to the PE and sport activities that our school already offers
- ☐ build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Below is a summary report of how much funding has been allocated to Ellwood Community Primary School for the academic Year 2022-23, and how it will be spent.
