Dear Parents/Carers

RE: ACTIVITY TRAIL

We are very fortunate in having a fantastic activity trail in our playground. To avoid accidents occurring through slipping and falling we have put in a variety of safety measures. During break and at lunchtime the children are supervised by school staff when they are allowed to play on the equipment, if weather conditions are suitable. Children are permitted to use the activity trail after school hours on the condition that they are supervised by a responsible adult. We want the children to have fun and enjoy it, but we want them to be safe.

If you would like your child to be able to use the activity trail after (not before) school hours the slip below must be signed and returned to school as soon as possible. Please note:-

- Children must be supervised at all times
- Apparatus **MUST NOT** be used during damp or wet weather
- Toddlers and pre-school children **MUST NOT** be lifted onto the 'monkey bars' or the 'over and under bars' and guidelines to keeping safe are displayed by the bars.

If you have any concerns please do not hesitate to contact.
